THREE EVENTS ON CHEVY CHASE LINKS

E. V. Sumner, Fr., Wins FLOCARLINE FIRST HOME Prizes for Best Gross and Net Scores in Stroke Competition Yesterday Morning.

Marvin Thompson First in Handicap Against Bogie. F.O. Horstmann Lands Approaching and Futting Match

A handicap stroke competition in the morning, a handicap against bogie in the afternoon, and an approaching and putting contest, which started at 5 o'cleck, were the golf events played off yesterday on the Chevy Chase Golf Club

The threatening weather kept many away from the picturesque course, but considering the conditions, there were more entries to the events than were heped for.

The players teed off at 10 o'clock in the morning for the handicap stroke competition. There were two cups offered, one to the persons turning in the lowest gross score and one to the player making the lowest net score. Both prizes were won by E. V. Sumner, jr., who played exceptionally well. When handed in his card it was found that he had covered the course in 76 strokes. This, with his handicap of six, gave him a net score of 70. Mr. Sumner's victory was an easy one. His nearest competitors, G. C. Lafferty and O. McCam-Mon, took 82 strokes to cover the course. Mr. McCammon and C. L. Marlatt turned in the next best net scores, 78 strokes, one better than the card turned in by G. C. Lafferty.

Scored One Above Bogie.

Mr. Sumner's gross score of 76 was only one above begie. He made the initial hole in five strokes, one over bogie, but evened up by making the third hole in one under bogie. He lost two holes at the ninth hole, going out, and one at the tenth hole, coming in. He made the next two holes in three under bogie. The five following holes he made in bogie, but fell down on the last with four strokes, giving him a total of 76.

Following is his card: Dut5 4 4 4 5 4 4 4 5—39 in5 4 3 5 4 4 4 4 4—37 The handicap against bogie was won

The sport was the best that has ever been provided at a Y. M. C. A. meet in Washington, and despite the fact that there was a dearth of Y. M. The 440-yard run, open handicap, proved to be one of the best events of the day. Preston Edmonston, the Georgetown runner, was placed at scratch, while a number of others were given liberal handicaps. Bayly, of Technical High Schol, proved more than a match for Edmonston because the handicapper got exceedingly generous and gave Bayly 20 yards handicap over the scratch man. GRANT AND GEOGHEGAN WIN THE SEMI-FINALS

Attracts Large Crowd.

PLAY SHARP AND SPIRITED

Clark and Davidson, the Vanquished Ones, Put Up Game Uphill Fight. Finals Tomorrow.

The semi-final matches in the men's singles of the Southern tennis tournament were played off yesterday morning Geoghegan put the score for the next and afternoon, and interest now centers tomorrow afternoon at 3 o'clock.

Yesterday morning Wylie C. Grant, of New York city, defeated Charles C. orened with a pretty rally, which final-Clark, of Washington, in an interesting, ly ended in Davidson's favor, see-sawed match of three sets, 4-6, 6-3, 6-3. In the afternoon Franklin Geoghegan, of deuce, and finally went to Davidson at Washington, defeated F. G. Davidson, advantage. also of this city, 6-4, 6-4.

The match between Grant and Clark yesterday was marked by much fine playing. Clark captured the first set rather handily, striking a fast gait from the first, but relaxed his speed in the second and third sets, the match going 'ready Geoghegan's property. But Day to Grant, 4-6, 6-3, 6-3.

Large Gallery Present.

The grounds of the Bachelors' Tennis Club, M Street, near Connecticut Avenue, were crowded in the afternoon with an enthusiastic gathering of tennis experts and society folk. Between two and three hundred people watched the progress of the matches and applauded the clever plays and rallies with rounds of hand-clapping. Most of the afternoon was sunny and

favorable to good tennis, though the courts remained slightly heavy and slow from the rains of the night before. Late in the afternoon the sun again retired behind the clouds and the threatening aspect of the heavens made a scattering in the ranks of light summer dresses and smart gowns which filled the seats on either side of the courts. But the rain held over till nearly 7 o'clock and all the matches were completed before the downpour commenced. Raymond D. Little, of Princeton Uni-

versity, winner of the Southern tournament last May, and who has consequent ly held the title of Southern tennis champion for two years, was an interested spectator throughout the afternoon, leaving the grounds late. Mr. Little ranks seventh among American tennis experts, and it is expected that cession to the extreme righthand corner he will be able to retain his title to of the back line, Geoghegan returnthe Southern championship against his ing it the first time and not expectin challenger on Tuesday. If he wins that a repetition of the stroke. Davidson had now a chance of making it a deuce set, but fatled to make good, and the next game, and with it the first set, 6-4.

At the beginning of the second set Geoghegan was caught napping, and, failing to wake up, found a love game taken by Davidson. He immediately evened up the honors, however, by retaliating in kind upon Davidson. The third game was closely contested, finally going to Davidson. The next game, on Davidson's serve, went to Geoghegan. The fifth game was also taken at love by him, the first point scored on a pretty lob. Davidson lost the next also, a hotly contested one, after passing Geoghegan with a swift ball to the extreme righthand corner of the court.

The next two games were taken by Davidson, one point being scored by him on a pretty exhibition of tennis craft in sending the ball twice in suc score even at 4-all, Geoghegan took the next game handily.
